DSL SERVICES

If you need special services or a DSL line and you need this service extended to your booth, you will first need to contact a local telephone service provider such as Century Link/Lumen (855-891-4083). You will also need to provide the information below & return this form to the Fair office with your enclosed payment in order for the Fair to extend service to your booth.

The telephone number(s) assigned by the outside provider is _____ and will be delivered to the Fair's Cable room (demarc) by _____ (due date).

Please have the service delivered at least 7 business days prior to your service date needs.

Enclosed is my payment of _____

(1st line/\$595.00, additional line to same booth space \$285.00/each).

Orders placed less than 15 days before the event will be a total of \$675.00, if service is available.

Enclose a check for telephone service **made payable to:** WASHINGTON STATE FAIR or contact the Fair office to pay by credit card. The above fees cover service from the day before the event until the last night of the event. We will make every effort to insure that you have service in your booth space by the first day of the Event or earlier but due to the unusual dynamics of the Fairgrounds and unanticipated repairs we cannot guarantee service. There may also be service outages that will take place during the Event.

We do not provide refunds unless we cannot provide any service in the area requested.
